Learning with ICL Academy is inspiring, flexible, and engaging while meeting college and career readiness standards. Our curriculum empowers students to think critically and apply their knowledge in authentic ways through our *Impact Learning* model.

## PHILOSOPHY OF IMPACT LEARNING

### WORLD CLASS ACADEMICS TAILORED TO STUDENTS PASSIONS

All students engage in an inquiry-based curriculum that promotes curiosity, nurtures creativity, and emphasizes innovation. Students learn with others who are motivated and work with highly talented instructors in an atmosphere of collegial engagement. ICL Academy's courses are based on the scope & sequence of an elite private school education.

### AWARD-WINNING CHARACTER & SERVICE LEADERSHIP

Through a combination of conferences, speaker series, summer academies, and award-winning service and leadership courses, ICL has transformed the lives and futures of over 10,000 young people, and exponentially more through student service projects.

### CUSTOMIZED COLLEGE COUNSELING

The college counseling department values the relationship with students and families as they navigate the college admissions process. We stress that finding the right fit is essential to a positive college search. Through various programming opportunities and intentional connections throughout the year, we strive to make an environment where students are excited about the next chapter in their academic journey.

### INSPIRING AND ENGAGING COMMUNITY EXPERIENCE

Students form meaningful relationships with peers, teachers, staff, mentors, and advisors through their 'passion pod' collaborations, live teacher instructional office hours, and live virtual or in-person school events, meet-ups, student-led clubs, and summer abroad programs.

### WORLD CHAMPION PARTNERS AND MENTORS

ICL is the only online private school with world-renowned champions. Global icons inspire and mentor ICL Academy students to follow in their footsteps and beyond.
